

Salam 🖐️, I'm

Fatima Subhani

A college student majoring in information technology with a passion for design using both to help solve problems.

EXPERIENCE

Not Dev *Product Design Intern*

February 2021 - Present

Not Dev is a design studio based in Dallas, TX. During my time I expanded my knowledge about ui/ux design while I developed wireframes and prototypes for web, mobile apps, and more for clients such as **Docusign and Toyota.**

Ftma Studio *Freelance*

June 2018 - Present

Tasked with helping a variety of companies effectively achieve their goals by building websites, applications, or other digital assets that help solve a business's problems. My work ranged from **consumer software to medical websites.**

5ivepillars *Designer*

August 2021 - December 2021

Served as a web designer for their sister company, Pillars Studio. Handled visual design of websites and applications.

Peace Clothing Co *Founder*

March 2020 - August 2021

Gained knowledge in screenprinting, embroidery, inventory, business management, and finances during my venture. In six months **revenue was up to 3,000 USD.**

Content Creator *Tech Influencer*

November 2020 - April 2021

Created a community on TikTok of 21 thousand followers in five months with videos about design and technology. I was brought into the creator fund and began getting sponsorships from companies like TextNow and Anima App. In this time, I had **received over 5 million views.**
